

Request to Change Major/Minor/Concentration
For Undergraduate Students
Office of the Registrar

Undergraduate students who wish to make changes to their current academic plan may use this form. Only submit this form if you are an admitted student with active status. This form cannot be used to declare a Nursing major; the department will submit the request on your behalf once they admit you into the program. Graduate students cannot use this form to change their major or concentration.

Instructions : Complete this form and obtain all necessary approval signatures if you are adding or changing your major, minor, or concentration. No signature/stamp is required to cancel a major/minor/concentration.
